

Honorlock Sideview Camera

ios 26 and MacOS 26

Procedure:

1. On your iphone go to settings > general > airplay & continuity > toggle on continuity camera.
2. Mount your iphone near your mac and plug in with a USB cable to keep it charged

AirPlay & Continuity

Automatically AirPlay

Ask >

Transfer to HomePod

When playing media, bring iPhone close to the top of HomePod to transfer what's playing.

Keep Audio with Headphones

When using AirPods or other wireless headphones, keep audio with headphones when other devices like speakers or cars connect to iPhone.

Handoff

Handoff lets you start something on one device and instantly pick it up on other devices using your iCloud account. The app you need appears in the app switcher and in the Dock on a Mac.

Continuity Camera

Use your iPhone as a webcam for your Mac when both devices are near each other.

Once you Authenticate and hit honorlock, make sure your phone is plugged in unlock. If you get this error below, unplug your phone and re-plug it in. Then click continue.

If done correctly you should see this screen on your iphone

Connected to Idris's MacBook Air

You can disconnect to remove this iPhone from the Mac camera list.
